

G-COE/RCMS Seminar

Prof. Dr. Manfred T. Reetz

Director: Max-Planck-Institut für Kohlenforschung, Germany

Representative Awards:

Fluka-Prize "Reagent of the Year" (1997), Nagoya Gold Medal of Organic Chemistry (2000), Karl-Ziegler-Prize (2005), Prelog Medal (2006), Ruhr-Prize for Arts and Science (2007), Arthur C. Cope Award, ACS (2009), Yamada-Koga Prize (2009)

“Laboratory Evolution of Enantioselective Enzymes: A Catalyst Source for Organic Chemistry”

October 21, 2009

16:00~17:30

Noyori Materials Science Laboratory 2F, Lecture Room

Host: Kenichiro Itami
