

IGER/RCMS Seminar **RCMS**

Prof. Cathleen Crudden

President, Canadian Society for Chemistry
Professor, Department of Chemistry,
Queen's University, Canada

Advances in Chirality Control in Molecules and Materials

October 24th, 2012

16:00~17:30

Host: Kenichiro Itami

**Platform: Green
Material Conversion**

Noyori Materials Science Laboratory 2F, Lecture Room
