

Joint Inorganic/Theoretical Chemistry Colloquium

November 4, 2015 (Wed), 11:00-12:00

Chemistry Gallery, Noyori Materials Science Laboratory

***Computational chemistry from Reactivity to NMR
calculations: the case of Schrock olefin metathesis***

**Professor Odile Eisenstein
Research Director - CNRS**

Catalysis and Interfaces

Institute Charles GERHARDT - CNRS 5253

Université Montpellier
